

# Bingo Rules

1. Each player receives a bingo card.
2. The caller establishes the rules of the game to be played. For example:
  - All numbers on the card
  - All numbers on the left side
  - Any diagonal etc.
1. The caller selects numbers in random order from 1 to 90 from a hat.
2. Players use a counter or mark numbers with a pen as they are called.
3. When a player thinks they have won they yell "Bingo!"
4. The caller checks the accuracy of the card to see if the win is genuine.
5. More than 1 person can call Bingo at the same time. In this case the win is shared.

Traditional Bingo number call names.
